

VACANCY

POSITION – GRADUATE TRAINEE

Are you a recent graduate passionate about agriculture, horticulture or Food Science? Do you want to kick-start your career in a dynamic farm specializing in **Flowers, Vegetables, and Avocados**? If yes, we have the perfect opportunity for you! We are looking for Graduate Trainees with background in horticulture or food science to join our team.

Company Profile

AAA-Growers are one of the leading Kenyan exporters of different types of Vegetables, Flowers, and Avocados with a strong reputation for quality produce.

Program objective

The objective of this program is to equip young minds and fresh graduates with the skills to kick start their career in the above fields. Throughout the program you will receive extensive and exceptional learning and development opportunities. You will have a mentor throughout the program to guide, support and monitor your development.

Your profile

- Diploma/degree in Horticulture, Food science or any other related field.
- Highly ambitious with a passion and in-depth understanding of growing, with an infectious enthusiasm for learning.
- Authentic and knowledgeable about farming and horticulture practice.
- Able to thrive on being able to deliver against demanding deadlines.
- Good command of the English language, both verbal and written.
- Strong research, decision making, critical thinking, and problem-solving skills.
- Awareness of industry trends, threats, technology, and developments.

What We offer

- Hands-on training in crop production, agronomy, packhouse operations, and post-harvest management
- Exposure to global quality and food safety standards
- Mentorship from experienced professionals
- Career growth opportunities within a fast-growing company
